## COUNSELLING:

- Active counseling system followed in the institution provides effective counseling to the students, including gender sensitive issues.
- The girls are encouraged through counseling to participate in various activities like Cultural events, NSS, Sports, training sessions, etc. as per their comfort and interests.
- The Institution has a well defined student mentoring system for all the programs starting from the first semester. The main objective of mentoring is to help each student in taking right decisions for their academic and personal growth.
- In addition, mentoring will help to boost student's morale and improve their learning abilities. Each faculty who mentors the student tries to help the individual regarding their academic and personal issues.
- The Women's Empowerment Cell conducts many Women's development programs to encourage and boost the confidence of the girl's students.

Counseling room

VGSE provide academic, stress –related and personal counseling and female students and these issues are closely monitored by mentors assigned to students (mentees)
