

SREE VAAGESWARI EDUCATIONAL SOCIETY

VAAGESWARI COLLEGE OF ENGINEERING

(Affiliated to JNTUH, Hyderabad.)

(Approved by AICTE New Delhi & Recognised by the Govt. of Telangana State)

BEST PRACTICES

The institute's goal is to show its uniqueness to the students. To achieve this, the administration has devised few best practices.

They are

1. Induction program is made mandatory for all students to understand the need and usefulness of degree level education
2. Students are mentored towards ethics, morals and social responsibility to live with broad understanding on the society
3. Innovative teaching learning process
4. Guidance to higher education in India and abroad
5. Students are guided to do projects that help to spread the technology in to every corner of the society
6. Students are exposed to National and International community's by advising them to participate in certain conferences through webinars
7. Implementation of sustainability measures
8. Extending the facilities to the community through extension activities
9. Stakeholders of the Institute especially students are encouraged to participate in the Institute Management through their memberships in various committees.
10. The Institute has been conducting Faculty Development Programs.

Mr. Jayaram
Principal
Vaageswari College of Engineering
KARIMNAGAR.

Beside L.M.D. Police Station, KARIMNAGAR - 505 527, Telangana State. Ph : 0878-2004242

E-mail: s4.principal@gmail.com, Website: www.vgsek.ac.in

11. The Internal Quality Assurance Cell (IQAC) is instrumental in enhancing and assuring the quality of teaching and learning in the Institute
12. Implementation of Internal and external Academic and Administrative audit
13. Annual Self Appraisal for faculty is in practice
14. The Institute has active and vibrant Governance and Leadership policies which are pivotal for promoting and upholding the standards and quality of the Institute.

Best Practice-I**1. Title of the practice:** Activity-Based-Learning (ABL)**2. Objective:**

Activity based learning is an important tool in enhancing learning methods in professional Institutes. In this method the students are involved through teamwork where collaboration, communication and interaction skills play an important role in sharing construction and showing sharing of tastes. Activity based learning methods for emerging technocrats are critical while working on a project as they need to engage with challenges and problems to succeed in the real world

Professional education in today's highly competitive world demands constant up gradation of skills. The objective of "Activity-Based Learning" aims at honing the leadership skills among the students in various activities including technical activities, extra and co-curricular activities being conducted within the campus with a competitive spirit among the different departments and it will also improve the network of technical knowledge of their batch. The students are aware of course activities. By doing this the students motivate themselves to participate in various activities and interactions among the students in various departments with faculties.

2/10

SREE VAAGESWARI EDUCATIONAL SOCIETY

VAAGESWARI COLLEGE OF ENGINEERING

(Affiliated to JNTUH, Hyderabad.)

(Approved by AICTE New Delhi & Recognised by the Govt. of Telangana State)

Activity based objectives are useful because they help students focus on activities that will help and guide them in learning. Students can understand easily through virtual or imaginary objects. Creating healthy environment for students to achieve their learning goals through this practice has been the hallmark of Vaageswari College of Engineering.

3. The Context:

The institute focuses on imparting the methodology of learning through activity from the moment the students get admitted into professional course. The course commences with relating interactive communication skills.

Learning through activity is a type of learning where students learn their ideas through various activities. It includes speech, debates, seminars, model presentations, project expos, skits, field visits, ice-breaking activity, storytelling sessions and role plays.

To encourage students with skills and to expose their talents, this initiative was adopted for maximum participation of students in various activities and practices and the gradual improvement in excelling in their performance.

Learning through activity also helps the students to improve their:

- High IQ Level
- Out Of The Box Thinking Ability
- Leadership Skills
- Effective Team Player
- Strong Technical Skills

(Approved by AICTE New Delhi & Recognised by the Govt. of Telangana State)

4. The practice:

There is a common trend that can be observed about skilled students who are self-motivated and confident, when they participate in intercollegiate competitions. However, there are some students with low confidence skills who hesitate to participate in various activities such as paper presentations, seminars and conferences. The ABL exercise is analyzed using data on the participation of students in various activities and practices and the gradual improvement in their performance. The process is assessed using statistics on participation in external competitions.

Responsibilities of the students are assigned as per the interest and voluntary attitude of the students in conducting various activities like advertising those activities and successfully organizing the programs within in the campus that improves their strength and confidence. Students realize their full potentiality by creative thinking is enhanced among the students in bringing innovation in the conduct of events. The faculty carefully guides the students to start the process and uses an open skill set after their analysis. Group-wise evaluation of activities is done and results are declared. The winning group is appreciated by giving a token of appreciation. By these result oriented appreciation the student identifies him/her self own capability. So, that they work more to become expertise on the lagging activity or a subject. These activities help and motivate students to connect with themselves, with each other and with their surroundings and to learn from each other to pursue their goals. The students are trained in the skills needed in delivering efficient and appealing presentations to a variety of audiences.

VAAGESWARI COLLEGE OF ENGINEERING

(Affiliated to JNTUH, Hyderabad.)

(Approved by AICTE New Delhi & Recognised by the Govt. of Telangana State)

These skills cover a multiple of areas such as the structure of the presentation, the design of slides, the tone of voice and the body language used. This includes the enhancement of following skills

➤ Group Discussion

The students are trained in neutralizing mother tongue impact on English, voice modulation, the body language, proper way of making eye contact and other essentials associated with it.

➤ Interview Facing Skills.

Mock interview sessions are taken with the help ICT tools available in the language laboratory. Students are made aware about essential substance and basics associated with it. Behavioral skills and dress sense are other skill areas that are enclosed in it.

➤ PPT

In today's job market huge employability is there in service industries like banking, financial sector and so on. By training the students in PPT we could create an opening for students in these sectors as their presentation skills match the needs of the industry.

5. Evidence of success:

Activity based learning is mainly achieved in three ways namely experimentation, expression and exploration. Expressing the views in speech debates, seminars and model presentations are the student benefited. It is benefits on their intellect to become sharp and the capability of problem solving increases and it supports their language capability and literacy development. ABL motivates students to participate activities such as independent investigation, problem solving etc.

SREE VAAGESWARI EDUCATIONAL SOCIETY

VAAGESWARI COLLEGE OF ENGINEERING

(Affiliated to JNTUH, Hyderabad.)

(Approved by AICTE New Delhi & Recognised by the Govt. of Telangana State)

ABL revolves the concept to solve the real life problems with encouragement of students and teachers. Healthy relationship between faculty and students results in attendance of students to college. Student's participation in various discussions and seminars improves their personnel skills and presentation skills. The proof of success is that students can perform independently and demonstrate their skills without their senior advisors in their area of expertise.

6. Problems Encountered and Resources required:

The biggest challenge for affiliated institutions is to balance the academic program and these activities. Dedicated students who have creative ideas and faculty from various departments inspire, encourage and support the students in every way. For Activity Based learning teachers need special infrastructure and record should be maintenance. Management encouraged the practice to enhance the knowledge of students for industry ready with 360 degree cooperation. Special record should be maintained by the teachers to know the status of student's performance. Several activities are planned by the faculty to improve the Communication Skills.

Best Practice-II

1. Title of the practice: Mentorship & Motivation of students

2. Objective:

The Objectives of the practice followed by the Institute are:

- To improve the global quality of the students life and economy of the society.
- To improve the problem solving capacity of the students
- To improve the student teacher relationship.
- Performance of the students should be informed to the parents / guardian's by time to time
- Guiding students to learn new methods and advising them for career.
- Helped to grown a perception of capability and precision of specification.
- Sharing of suggestions, opinions and problems on the personal or professional front.

The upcoming technologies and innovations are impart to the students by conducting workshops, guest lectures and seminars by internal and external academicians and through industrial visits are achieved by this practice to the students.

3. The context:

The mentorship program is conducted along with the regular academic sessions for Students. The program focuses on personal and professional development. This practice is followed to motivate students and develop confidence to take up challenging tasks in their life and contribute to society in nation building. In Vaageswari College of Engineering we observed that students have a peculiar background and level of motivation when entering college. Students need a set amount of time to break out of their shells to face the demanding world.

(Affiliated to JNTUH, Hyderabad.)

(Approved by AICTE New Delhi & Recognised by the Govt. of Telangana State)

Students need to be handled personally by setting appropriate goals and working on their confidence and independence. We also understand that the students be involved in challenging activities and need to provide polite feedback as and when requires.

The mentorship program was initiated with a view to share knowledge, advice and resources from mentor to mentee at Vaageswari College of Engineering. The national building is possible with the help of student's involvement in economy building.

4. The Practice

Mentorship program always strives to help mentee to achieve their professional advancement by facilitating direction, encouragement, hysterical abetment and motivator. The program allows for working in gray areas to discuss openly with older students and highlight the positive side of an individual. During the discussion, inputs are provided for the betterment of the consultant. In engineering most of the students were not matured enough to take right decision in the competitive world, this practice is made to take own decision to achieve their best in life.

The mentorship program was initiated at Vaageswari College of Engineering with a view to share knowledge, advice and resources from mentor to mentee. Vaageswari College of Engineering through mentorship takes care of student's academic and professional awareness as the students teacher ratio is 1:14. Unanimously, the students expressed that joining the mentorship program has given them more confidence and inspired them to make a difference in their lives. Students also expressed about the difference that has made in their academics and personal development. Individual attention is given to students who need extra encouragement and practice to develop their public speaking, interactive, and interpersonal skills.

SREE VAAGESWARI EDUCATIONAL SOCIETY

VAAGESWARI COLLEGE OF ENGINEERING

(Affiliated to JNTUH, Hyderabad.)

(Approved by AICTE New Delhi & Recognised by the Govt. of Telangana State)

Some students initially said that they had their family and friends as their mentors and were reluctant to accept the concept. Some of these people were unwilling to accept the assigned mentors and took the time to open up with them. Many of times people were not ready to accept their shortcomings and were not ready to work on them. The consultant gave him a hard time to work towards the activities assigned to them.

Time is a big obstacle in case of Technical courses with semester system, Managing time is a huge challenge mentor also explains how to manage time for both academics and non-academics. Mentors arranged tutorials and industrial visits to the students to gain extra knowledge in their academic life as well as for personal growth.

Mentors motivate the students to develop the connection with outside world to improve the leadership quality and communication skills by presenting their ideology. And also mentors helped to students to set their appropriate goals to lead the better life in future.

5. Evidence of success:

The mentorship program has been conducted for the last four years with necessary modifications. The success of the program is evident from the following areas of improvement.

- Increased attendance.
- Increased participation.
- Improved performance in formative evaluation.
- Reduced conflicts.
- Creates conducive environment
- Creates positive attitude and focus.
- Improves placement record
- Students are actively participating in all the programs and get appreciation.

SREE VAAGESWARI EDUCATIONAL SOCIETY

VAAGESWARI COLLEGE OF ENGINEERING

(Affiliated to JNTUH, Hyderabad.)

(Approved by AICTE New Delhi & Recognised by the Govt. of Telangana State)

The Vaageswari College of Engineering has taken as a challenge to place the students in reputed organizations with personal care. Many parents have also given good testimonials for supporting their wards throughout their journey to good placements and training them to being a responsible citizen. Year by year we observe a considerable increase in the placement and also the recruitments in reputed companies with a very good package.

6. Problems Encountered and Resources Required:

The program has been modified over time. Some of the problems in the initial stages are as follows.

- Time table adjustment. Time Constraints
- Plenty of time for personal consultation.
- There is no control over background and support from home for such students.
- The mindset of the student is already ready and it takes more time to change it.

In this practice the Teachers plays vital role to train the students for ready to industry with vast subject knowledge and communication skills. Here, the Vaageswari College of Engineering arranged infrastructure for mentorship the students during off-hours. To train the slow learners the college is arranged trainers. Proceeding from these lines, the mentorship program incorporates a diligent and informed approach, taking student participation to the next level and making the learning environment.
